EXPERIENCE

Smaart Healthcare <i>Software And Data Intern</i>	Aug. 2025 – Nov. 2025 Chennai, India
- Reduced manual patient intake effort by 40% by building a real-time AI nurse triage assistant using Flask, MongoDB, and Vapi.ai. - Improved patient query routing efficiency by 35% by developing NLP-based intent classification pipelines for voice and text interactions. - Accelerated emergency response workflows by 30% through automated nurse alert escalation systems for critical patient requests.	

PROJECTS

VConnect	2025
- Engineered a scalable analytics dashboard processing datasets for 650,000+ Indian villages using Python and MongoDB. - Improved rural data retrieval efficiency by 45% by building AI-driven search and analytics workflows. - Reduced CSV preprocessing time by 50% using optimized Pandas-based data integration pipelines.	
AI Nurse Triage Voice Assistant	2025
- Reduced patient symptom collection time by 35% by designing a voice-enabled healthcare assistant using Flask and Vapi.ai. - Improved conversational response accuracy by 30% through real-time speech processing integration workflows. - Enhanced healthcare summary retrieval efficiency by 40% using secure MongoDB storage pipelines.	
LogiSense	2025
- Developed a full-stack logistics and inventory management platform using Flask, MongoDB, and REST APIs for real-time shipment tracking. - Improved operational monitoring efficiency by 40% through interactive dashboards and automated logistics status updates. - Enhanced data retrieval and management performance by implementing optimized backend workflows and scalable database integration.	

EDUCATION

Measi Institute of Information Technology <i>Master of Computer Applications (MCA)</i>	2024 – 2026 Chennai, India
The New College <i>Bachelor of Computer Applications (BCA)</i>	2021 – 2024 Chennai, India

SKILLS

Languages: Python, Java, SQL, JavaScript
Databases: MongoDB, MySQL
Frameworks: Flask, Spring Boot, REST APIs
Core CS: DSA, OOP, DBMS
Tools: Git, GitHub

ACHIEVEMENTS

1st Prize — Intra-College Hackathon, Measi Institute of Information Technology	2025
2nd Prize — MGR University Hackathon, Department of IT	2025
Solved 250+ DSA Problems on LeetCode	Ongoing
